

Hay House author, Jonathan Ellerby PhD, presents
A ONCE IN A LIFETIME JOURNEY:

AFRICAN RENEWAL

August 17-30, 2014

NOURISH YOUR HEART IN THE MAGIC OF AFRICAN WILDERNESS & CULTURE

This very special tour will be unique among all the trips Jonathan has led to Africa. Our focus will be on restoring & awakening your Wisdom Heart. Our time will be full but our pace will be slow, our experiences deep, well spaced, and our time with the animals will be intimate and extensive! This 14-night adventure will be one of elegant comfort, real African tradition & wisdom, healers, shamans, and the amazing power of wilderness. Families, couples, individuals, and travelers of all ages are welcome!
