SATURDAY - CANCER AS A TURNING POINT CONFERENCE

FRIDAY - 20TH ANNIVERSARY CELEBRATION OF THRIVING
Cancer as a Turning Point
From Surviving to Thriving

The purpose of these programs is to educate, inspire, connect, and celebrate all lives which have been touched by cancer or any life-altering illness.

Cancer was founded 20 years ago on the belief that healing comes from within as an essential component of total health. It explores illness as an awakening with transformative potential. Facilitate connection among people and organizations with common goals and concerns.
